

General Meeting

September 14, 2011

- 1) Welcome and introduction
- 2) Dr. Chris Fiedler on behalf of Parents and Community for 27J. *School Board member Joan Kniss was also in attendance and spoke for the mill levy override. The web address for information is parentsandcommunityfor27j.shutterfly.com. Upcoming meetings include the 19th at United Power where organizers will be writing postcards reminding voters to send in ballots and September 24th for a walk about to spread the word of the mill levy override.*
- 3) 27J Bazaar on October 1st 1-6 pm at the Prairie Center (144th & 1-76). Pennock will have a booth featuring face painting and a chance to enter to win certificates for a family night out. There is also a Poker Run from 11 am-1 pm for \$10.
- 4) Skate City night. We had great turnout and earned \$79.50 for very little work on our behalf. Our next trip is scheduled for November 14th. We need 2 volunteers to ride the bus there and back with the kids. This would be a great volunteer opportunity for a teacher.
- 5) Trick or Treat Street on Saturday, October 22nd. We'll ask for candy donations closer to the event and we'll need volunteers. Volunteer opportunities include helping with set up, tear down, game stations, Haunted Hallways and food sales. Look for information on the event to be sent home with the kids starting in October.
- 6) We are looking for a volunteer as our new Box Top collector. *Mrs. Frohman volunteered to take on this job. She is interested in having baggies purchased to be sent home with students instead of the flyers that have been sent home in the past.*
- 7) Leslie Hurr, Pennock Garden Club *Leslie has a fundraising idea called Door to Door Organics. She will get more information and let us know.*
- 8) Walk to School Day *Mrs. Bultje presented information. Wednesday, October 5 is the date of the event. She requested information be added to the PTO website and PTO's facebook site. She also requested help in getting playground stencils that Mr. Jennings has acquired done so that the paintings can be the arrival destination for the students. She has requested financial help from PTO and will email with more information.*
- 9) Treasury report \$17, 097.88
